

Thriving Kids in Victoria

Supporting every child to thrive.

Information for Parents

What is Thriving Kids

- Thriving Kids is a new program for children and their families.
- The program provides support for children. 0-8 years of age.
- Thriving Kids is for children with developmental delay and autism with low to moderate support needs.
- This means children who need extra help to play and learn like other children their age.

I need Early Childhood Intervention now

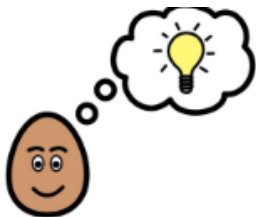

- There are no changes to the NDIS until January 2028.

- You can still apply for [help](#)

How will Thriving Kids help

There are 2 kinds of help

- General Supports and
- Targeted supports

1. General Supports include:

- Information for parents / carers /kin
- Information about how children grow and learn
- How to help at home.

2. Targeted Supports include:

- Help from people like Speech Pathologists and Occupational therapists
- This might be individual
- This might be in a group
